

# Blaulite HRV 13 EC

Heat recovery ventilators for commercial applications featuring advanced EC (Electronically Commutated) motor technology

- Heat exchanger type: Counter flow
- Heat exchanger material: Polystyrene
- Sound-insulated casing
- Casing material: Aluzinc steel

|                         | Unit of measurement | Blaulite HRV 13 EC |
|-------------------------|---------------------|--------------------|
| Connected air duct size | in                  | 8×20               |
| Phases                  | -                   | 1                  |
| Minimum supply voltage  | V                   | 208                |
| Maximum supply voltage  | V                   | 208                |
| Power supply frequency  | Hz                  | 60                 |
| Rated power             | W                   | 650                |
| Heat exchanger type     | -                   | Counter flow       |
| Heat exchanger material | -                   | Polystyrene        |
| Weight                  | lb                  | 179                |

## Dimensions

| A    | A2 | H  | H2 | H3 | L    |
|------|----|----|----|----|------|
| 37 ¼ | 20 | 26 | 8  | 4  | 36 ½ |
